50 and 75 lb Coin Tumbler Specifications

Big Performance

Why are 50 and 75 lb Huebsch LoadStar™ commercial dryers a good fit for my laundry?

Extra capacity.

Large capacity washer-extractors are among the most popular washers in today's vended laundry. Owners must have large-capacity dryers to match these machines. Huebsch LoadStar™ 50 and 75 lb dryers also are perfect for customers with bulky items such as quilts.

Highly efficient.

Huebsch large capacity drying tumblers give you not only extra capacity, but also superior efficiency with a high performance heater box. A concentrated airflow pattern helps to keep utility costs down and speed customers through their drying cycle.

Additional Features

Beyond efficiency, what LoadStar™ features help improve my operation overall?

Large door openings.

Huebsch is the answer for fast loading and unloading with 26.89" door openings. When you're able to load and unload quickly, your laundry keeps loads moving.

Easy to clean.

A self-cleaning lint screen means fast efficient lint removal from the dryer's large storage area.

A classy look.

Optional stainless steel fronts and cylinders will give your laundry a classy look that sets it apart from the competition.

A Great Finish

How will these dryers' help my laundry deliver fantastic finished results?

Staying in control.

LoadStar™ models are equipped with Huebsch's extremely user-friendly Micro-Display control. The control enables you to set prices, and also keeps customers informed on cycle time remaining with a digital display, to ensure great results. With the Huebsch manual control, customers get four cycle selections.

Unmatched Durability

What sets Huebsch apart from other brands in terms of reliability?

Not just standing behind our equipment, but standing beside you and your business.

Our made-in-America product comes with an industry-leading bond. The entire machine receives Huebsch's standard three-year warranty. In addition, Huebsch has more service representatives in the field than most brands have in their whole organization.
